Your trusted adult!

Instructions :

1. Cut out two rectangles of plastic wrap. Each should be about 1.5x2 inches.
2. Color in one square with the red marker and one with the blue. Put the squares aside to dry. *Hint:* Permanent marker works best.
3. Print out the glasses template and cut out the 3 pieces.
4. Tape the two side arms to the center piece.

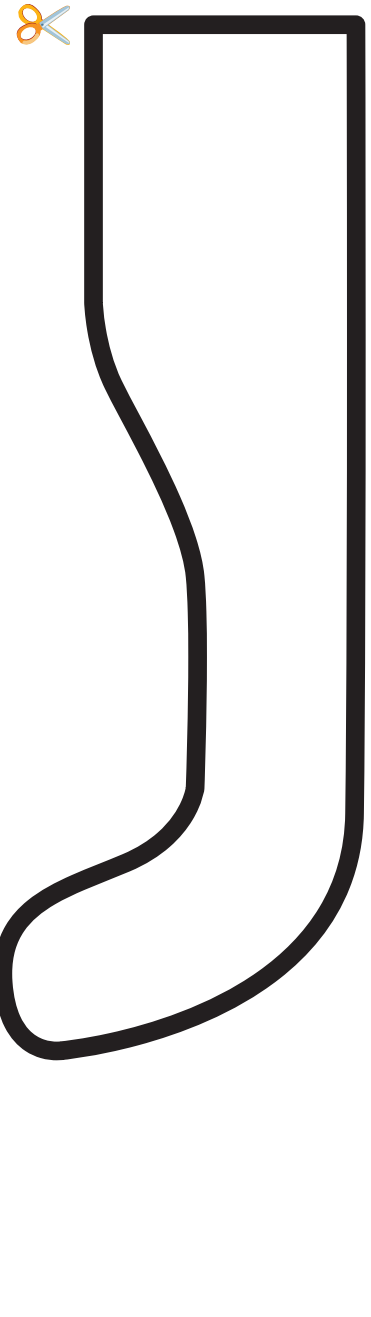

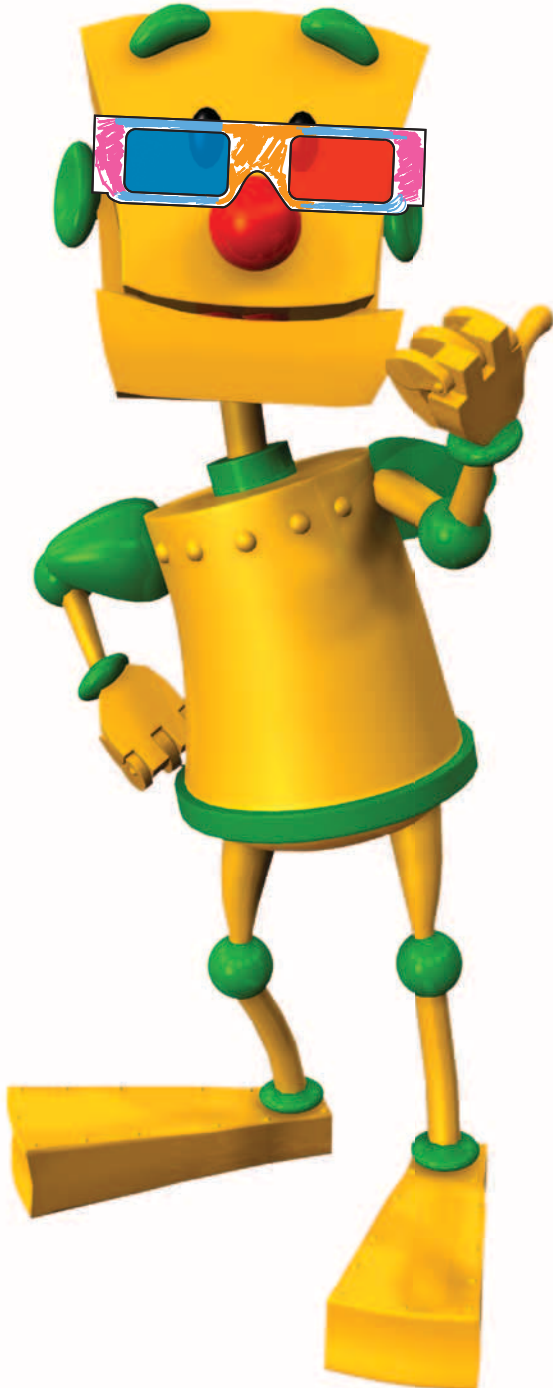

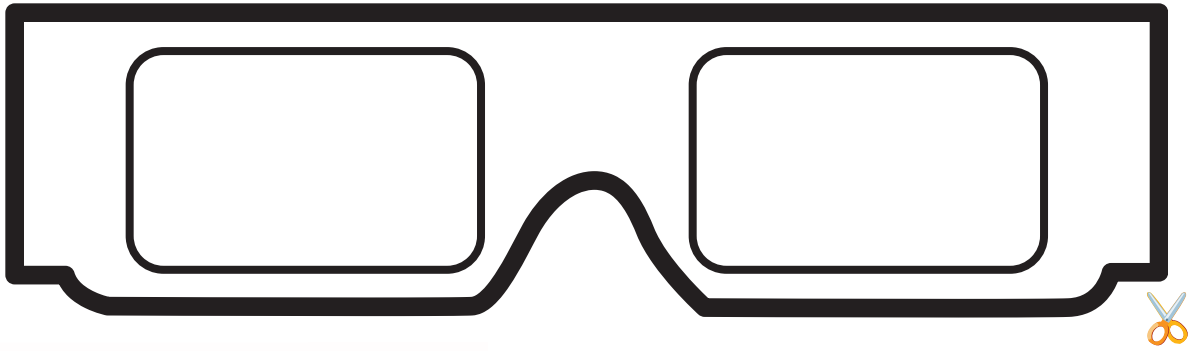

5. Take your paper glasses and trace them onto a single piece of poster board. Cut around the outside of the poster board glasses, and then cut out the eyeholes.
6. Now it's time to color and decorate your glasses!
7. Fold the sides of your glasses inward. Try to keep the sides even.

8. Tape your squares to the inside of your glasses. Put the red square over the left eye. Put the blue square on the right eye. You're done!
