Online Friends Mobile

Talk with your trusted adult about the people that you chat with online. If they are an online friend, add them to your mobile. Online friends are people who:

- You and your trusted adult know.
- Show you respect by not being mean online.
- Do not send you pictures that make you uncomfortable.
- Do not ask you to keep secrets that make you uncomfortable.

But watch out for those people who act like the Webville Outlaws—they are not your online friends!

You will need:

Crayons
Glue
1 Paper Plate
Print-outs

Scissors
Tape
3 pieces of yarn or string (same length)
Your trusted adult!

Instructions:

Mobile Base
1. Draw a spiral on the paper plate and cut it out with the help of your trusted adult.
2. Loop and tie a piece of string around the center of the spiral to hang your mobile.

3-D Stop sign
(Four stop signs make one 3-D stop sign figure.)
1. Color and cut out the stop signs. Fold each stop sign in half with the picture or writing facing up.
2. Place one stop sign down with the fold pointing up. Spread glue on the surface.
3. Glue a second stop sign to one side, matching the center lines. Now glue a third stop sign to the other side of the stop sign, matching the center lines—but do not glue the stop sign closed!
4. Take one of the pieces of yarn (it will already have a heart on it) and glue it along the center line of the stop sign. Spread glue on the back of the stop sign figure and glue a fourth stop sign to close it.

You have completed one 3-D stop sign! Repeat steps 2-4 using the second piece of yarn.

To finish your mobile, tape the strings holding your figures to the spiral mobile base. Now hang your Online Friends Mobile!
